

**Check-in before
you turn up.**

Introducing our domestic online check-in service.

fly through check-in

To help you make the most of your time, Qantas is now offering online check-in. It's the fast, convenient way to check-in, whether you're at home or at the office. And all you need is access to an internet connection and printer. Online check-in is now available for Qantas domestic and QantasLink e-ticket bookings between 24 hours and 1 hour before your flight departure.

how it works

To get started, simply follow these easy instructions:

- ▶ Go to qantas.com, select 'Manage Your Booking' and enter your booking reference and last name.
- ▶ Click on the 'Online Check-in' button and follow the 5 easy steps.
- ▶ Print your boarding pass on A4 paper and bring it with you to the airport.

And once you arrive at the airport:

- ▶ If you're travelling with carry-on bags only - go directly to the gate for your flight.
- ▶ If you're travelling with bags - go to a Bag Drop counter no later than 45 minutes before departure.

All group check-in enquiries should be directed to Qantas Group Sales.

benefits

- ▶ Quick and convenient, online check-in takes just minutes.
- ▶ Simple and easy to use, with prompts to guide you through the check-in process.
- ▶ You can select and change your own seat.
- ▶ No waiting - head straight to the departure gate or Qantas Club if you've just got carry-on baggage.
- ▶ If you have a return trip on the same day within 12 hours, you can check in for both flights at the same time.
