

Parking Information Sheet

1. Salary sacrificing for on-campus parking permits is available to all full-time continuing and fixed-term University staff members paying their parking permit fortnightly by payroll deduction.
2. This service also includes payroll deduction payments for reserved parking in the Kingsley Street, Baldessin and Dickson Precinct parking stations.
3. To apply for pre-tax deductions please complete the [payroll deduction application](#) form and select the pre-tax option, or [apply online](#) via ANUBIS.
4. The application for salary sacrificing does not include an application for a parking permit. Staff members who wish to salary sacrifice their parking permit fee must first apply to Parking Administration, Facilities and Services, for a parking permit.
5. Council will determine the annual fee on recommendation of the Parking Reference Group. Therefore, the University may amend the annual fee from time to time as approved by Council.
6. The University retains the right to revoke these arrangements at any time.
