SUPPLEMENTARY AGENDA

PART 2: REPORTS AND POLICY ITEMS (continued)

***ITEM . 16 ANNUALISED TIMETABLE**

PURPOSE:

For preliminary discussion of the issues surrounding an annualised timetable.

BACKGROUND:

Attachment:

- “Timetabling Discussion Paper” (313/2007)

An annualised University timetable and earlier publishing of the timetable have been raised at previous meetings of the University Education Committee.

The background paper from the Registrar is intended to assist broad discussion of the issues associated with annualisation and to bring forward the more various implications for examination. These include aspects of current teaching profiles and the more obvious resource considerations, both for administration and ANU College staff.

The Committee is asked for general comment and to identify areas where further information may be required. The Committee may wish to consider establishing a small Working Party to examine the matter in more detail and to report to the UEC about whether an Annualised Timetable should be pursued at this stage.

SPONSOR: Registrar

RECOMMENDATION:

That the Committee note comments on the “Discussion Paper” (313/2007) and advise the Deputy Vice-Chancellor and Registrar on an appropriate way forward .
