

Dear Ticket Conveners and Independent Candidates,

Re: Disclosure Requirements for candidates running in ANUSA elections

Changes made in 2007 to the ANUSA Election Regulations have imposed disclosure requirements upon candidates and tickets running in the ANUSA elections and created the role of Probity Officer. The relevant provisions of the Election Regulations have been attached for your convenience.

As the Probity Officer I will work with you to ensure that constitutional disclosure requirements are adhered to in an efficient and hassle-free manner. As such, I have prepared two standardised forms which all ticket conveners or independent candidates must complete.

1. Statement of intention

This form must be completed to fulfil requirements under section 2.9.1 of the ANUSA Election Regulations. The statement must include details of all financial and non-financial contributions to a particular ticket. Ticket conveners or independent candidates must submit this form to the Probity Officer via email or by leaving a copy at the ANUSA General-Secretary's office by **5pm Wednesday 12 August**.

2. Statement of expenditure

This form must be completed to fulfil requirements under section 2.9.2 of the ANUSA Election Regulations. The statement must include details of all campaign expenditure up to the time it is submitted. Ticket conveners or independent candidates must submit this form to the Probity Officer via email or by leaving a copy at the ANUSA General-Secretary's office by 9am of each day that election polls are open.

If you have any queries regarding these forms or any other disclosure issues, please feel free to contact me using the details provided below. Any requests for information under section 2.10.5 should also be directed to me.

Regards

Matt Sherman

Probity Officer
