A program of activities to be held in the orientation period, July 2009

ORIENTATION PROGRAM

Welcome to ANU.

This brochure gives information about orientation activities for new students who are commencing in Semester 2, 2009.

On Monday 13 July 2009, in the Manning Clark Centre (Building 26A), we provide important information sessions about health cover, library services, IT services and much more. Come along, as these sessions will help you to adapt more quickly to your life at ANU. See the timetable on the reverse side of this brochure for session times.

There will also be a number of information booths representing both the University's student services and diverse student and community organisations. Register for up-coming events and ask questions. The booths will be open from 9am to 12noon.

The Orientation Program gives you an opportunity to meet other new students and ANU staff. If you have questions, speak to the staff at the International Students Services booth.
